

PRODUCT BROCHURE · MANUFACTURED IN MUMBAI, INDIA

Rectifier Manufacturer Serving Thane & Navi Mumbai

Rectifier supply, installation and service for plating and process plants in Thane, Navi Mumbai, Bhiwandi and Vasai — manufactured at our Goregaon East works.

Plating and finishing clusters in Thane, Bhiwandi, Navi Mumbai, Vasai and Palghar are within direct service reach of both our facilities, which means faster site visits, faster repairs and easier spares.

Two facilities covering the MMR

Our main works sits in Goregaon East, Mumbai, with a second facility at Sopara Phata, Pelhar, Vasai in Dist. Palghar. Between them we cover the Mumbai Metropolitan Region for supply, commissioning and breakdown support.

On-site commissioning and repairs

New units are commissioned on site with load checks. For existing equipment — ours or another maker's — we handle stack replacement, transformer rewinding, control card repair and metering upgrades.

- Goregaon, Andheri, Borivali, Dadar and greater Mumbai
- Thane, Bhiwandi and Kalyan belt
- Navi Mumbai and Taloja
- Vasai, Nallasopara, Palghar and Boisar

Dispatch across Maharashtra and India

Outside the MMR we crate and dispatch nationwide, with commissioning support arranged where the installation warrants it.

Frequently Asked Questions

Do you visit sites in Thane and Navi Mumbai?

Yes. Both areas are within regular service reach of our Goregaon East works and our Vasai facility.

Can you repair a rectifier made by another manufacturer?

Yes. We handle stack replacement, transformer rewinding, control repair and metering upgrades on third-party units.

How quickly can a breakdown be attended?

Call any of our numbers and we will confirm a visit slot; MMR locations are typically attended fastest because manufacturing and service are local.
